

2 Elephant Masks

Included: 2 Elephant Masks
1 Full Color Masks &
1 Black & White Masks

SUPPLIES YOU NEED:

Crayons
Hole Punch
Scissors
String

INSTRUCTIONS:

Print on cardstock for extra durability. Color & Cut your mask & eye holes out. Using a hole punch, punch out the holes to run your string through. Some masks have two holes side by side. That is to run the string in one and through the other so you will be able to bend the mask's ears up for a more fun look.
